I.E.P. Preparation Training

When: Monday, October 17, 2016
5:30 PM - 8:00 PM

Where: Student and Family Resource Center
201 Mill Street, Orland CA 95963

Details: Parents, join us for this FREE training and learn about all aspects of the Individualized Education Program (IEP) process! The IEP document may seem big and complicated, but once you start to understand it and learn about the applicable laws you'll feel more comfortable and empowered while advocating for your student.

Our experienced trainers will tell you what to expect during an IEP Meeting. You will learn about the document itself and how you can use it as a tool for planning your student's education. You'll be prepared for that next IEP meeting like never before!
Must RSVP if child supervised activities are needed!
