

Orland Community Day School

2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Contact Information

School Name	Orland Community Day School
Street	260 Roosevelt Street
City, State, Zip	Orland, CA 95963
Phone Number	(530) 865-1285
Principal	Sally Jarvis-Lubbe
Email Address	sjarvis@orlandusd.net
School Website	
County-District-School (CDS) Code	11754811130145

2022-23 District Contact Information

District Name	Orland Unified School District
Phone Number	(530) 865-1200
Superintendent	Ken Geisick
Email Address	kgeisick@orlandusd.net
District Website Address	http://www.orlandusd.net

2022-23 School Overview

Orland Community Day School is an alternative education school for students in grades seven through twelve who have met the requirements under the California Education Code to attend a Community Day School. Our mission is to maintain an educational facility to ensure that our students develop strong social skills, behavioral skills, and focus on reintegrating them into their original school. The program focuses on meeting the individual needs of each student. Before entry, the staff, students, and parents develop an individualized plan for each student. The Orland Community Day School offers a small school setting, with approximately 3-12 students. The Community Day School is the most restrictive environment within the Orland Unified School District. Our goal is to maximize learning for all students in ways that meet their academic, post-secondary, and social needs. We strive to create a program which teaches students to become accountable and respectful global citizens.

Major Achievements

1. The school has a full-time administrator on site to support the students and staff daily.
2. The school had significant upgrades in technology, including accessibility to use wireless chrome books, a document camera, and digital projector within the classroom.
3. The master schedule was rebuilt, allowing for a more fluid and flexible schedule.
4. We have increased our community partnerships and relationships with outside agencies.

Focus for Improvement

1. Work towards full implementation of PBIS.
2. Work towards full implementation of MTSS for academics and behavior.
3. Increase school attendance, student behavior, and student academic success.

About this School

2021-22 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 10	1
Grade 12	2
Total Enrollment	3

2021-22 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	0.0
Male	100.0
American Indian or Alaska Native	0.0
Asian	0.0
Black or African American	0.0
Filipino	0.0
Hispanic or Latino	66.7
Native Hawaiian or Pacific Islander	0.0
Two or More Races	0.0
White	33.3
English Learners	0.0
Foster Youth	0.0
Homeless	0.0
Migrant	0.0
Socioeconomically Disadvantaged	33.3
Students with Disabilities	100.0

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)			90.00	85.46	228366.10	83.12
Intern Credential Holders Properly Assigned			0.00	0.00	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)			10.20	9.70	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)			4.00	3.88	12115.80	4.41
Unknown			1.00	0.95	18854.30	6.86
Total Teaching Positions			105.30	100.00	274759.10	100.00

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)						
Intern Credential Holders Properly Assigned						
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)						
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)						
Unknown						
Total Teaching Positions						

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers		
Misassignments		
Vacant Positions		
Total Teachers Without Credentials and Misassignments		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver		
Local Assignment Options		
Total Out-of-Field Teachers		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

2021-22 Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)		
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)		

2021-22 data was not included as part of the initial release of data on 1/13/23. The CDE has indicated that the data will be available after the 2/1/23 SARC deadline. The data will be populated when it is published by the CDE.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Orland's Community Day School is working on strengthening the curriculum alignment to the Common Core State Standards. We are implementing best practices, increasing informational text, and writing across the curriculum. The school has worked collaboratively to implement meaningful changes in the core curriculum that establish and promote an environment where all students can successfully learn. The community day school teacher has partnered with the comprehensive high school and middle school teachers to ensure that the students are being taught similar material to their peers at the comprehensives school. Additionally, some of the students are working on "i-ready" for reading and math as a supplemental resource to improve their reading levels and math skills. Also, each student has access to a Chromebook so that they can increase their technological literacy and further help prepare them for the 21st Century work world. Depending on each student's instructional needs, the high school students have the opportunity to earn credits through Edgenuity (online program).

Year and month in which the data were collected January 2018

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy
Reading/Language Arts	All core subject textbooks are current, and aligned to the California State Content Standards.	Yes	0
Mathematics	All core subject textbooks are current, and aligned to the California State Content Standards.	Yes	0
Science	All core subject textbooks are current, and aligned to the California State Content Standards.	Yes	0
History-Social Science	All core subject textbooks are current, and aligned to the California State Content Standards.	Yes	0
Foreign Language		Yes	0
Health	All core subject textbooks are current, and aligned to the California State Content Standards.	Yes	0
Visual and Performing Arts	All core subject textbooks are current, and aligned to the California State Content Standards.	Yes	0
Science Laboratory Equipment (grades 9-12)			0

School Facility Conditions and Planned Improvements

We are located in a single-room classroom that is attached to office space. We have some storage and a side office for our attendance/clerical support. The classroom accommodates 12 students comfortably and a maximum of 14 students. We have rest rooms that are sufficient and clean. In addition, we have a sink, microwave oven, and a refrigerator.

Our school includes one building. On an average day, 14 students and staff occupy this building, taking up 93 percent of our capacity.

The bathrooms in our school contain one toilet each, both in good working order when we surveyed the building.

Year and month of the most recent FIT report 10/05/2016

System Inspected	Rate Good	Rate Fair	Rate Poor	Repair Needed and Action Taken or Planned

External: Playground/School Grounds, Windows/ Doors/Gates/Fences	X			

Overall Facility Rate

Exemplary	Good	Fair	Poor
------------------	-------------	-------------	-------------

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	--	N/A	26	N/A	47
Mathematics (grades 3-8 and 11)	N/A	--	N/A	14	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	--	NT	NT	NT	NT

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded

2021-22 Career Technical Education Programs

2021-22 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2021-22 Pupils Enrolled in Courses Required for UC/CSU Admission	0.00
2020-21 Graduates Who Completed All Courses Required for UC/CSU Admission	

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Parent involvement is an essential component of the Community Day School. Faculty and Staff strive to increase parent involvement by enhancing school communication with parents and students.

The faculty and staff communicate with parents regarding student attendance, academic performance, behavior, and overall student's well-being. The school communicates with parents in various ways such as parent involvement policy and compact, student handbook, orientation meetings, flyers, emails, letters, phone calls, and posting information on the alternative

2022-23 Opportunities for Parental Involvement

education website. Parents are encouraged to participate in their student's education as much as possible. Parents have access to their child's current grades by using the online "Parent Portal," an online program allowing parents to view the grade books of each of their student's classes as well as attendance, and credit information. The implementation of this program has dramatically improved parental access to student grades and progress towards graduation. The parents have the opportunity to participate in the alternative education Open House, Back to School Night, District Workshops, and other parent involvement events that held within the Orland Unified School District. As a school, we are always continuing to work on increasing parent involvement to ensure the success of the children.

C. Engagement

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;
- High school graduation rates; and
- Chronic Absenteeism

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2019-20	School 2020-21	School 2021-22	District 2019-20	District 2020-21	District 2021-22	State 2019-20	State 2020-21	State 2021-22
Dropout Rate		--			6.6	0.6		8.9	7.8
Graduation Rate		--			92.9	96.1		84.2	87

2021-22 Graduation Rate by Student Group (Four-Year Cohort Rate)

This table displays the 2021-22 graduation rate by student group. For information on the Four-Year Adjusted Cohort Graduation Rate (ACGR), visit the CDE Adjusted Cohort Graduation Rate web page at www.cde.ca.gov/ds/ad/acgrinfo.asp.

Student Group	Number of Students in Cohort	Number of Cohort Graduates	Cohort Graduation Rate
All Students	0	0	0.0
Female	0	0	0.0
Male	0	0	0.0
American Indian or Alaska Native	0	0	0.0
Asian	0	0	0.0
Black or African American	0	0	0.0

Foster Youth	0	0	0	0.0
Homeless	0	0	0	0.0
Socioeconomically Disadvantaged	12	8	7	87.5
Students Receiving Migrant Education Services	0	0	0	0.0
Students with Disabilities	7	6	5	83.3

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	--	4.01	2.45
Expulsions	--	0.25	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
Suspensions	--	26.67	2.32	7.57	0.20	3.17
Expulsions	--	0.00	0.00	0.25	0.00	0.07

2021-22 Suspensions and Expulsions by Student Group

Student Group	Suspensions Rate	Expulsions Rate
All Students	26.67	0.00
Female	0.00	0.00
Male	0.00	0.00
American Indian or Alaska Native	0.00	0.00
Asian	0.00	0.00
Black or African American	0.00	0.00
Filipino	0.00	0.00
Hispanic or Latino	0.00	0.00
Native Hawaiian or Pacific Islander	0.00	0.00
Two or More Races	0.00	0.00
White	0.00	0.00
English Learners	0.00	0.00
Foster Youth	0.00	0.00
Homeless	0.00	0.00
Socioeconomically Disadvantaged	25.00	0.00
Students Receiving Migrant Education Services	0.00	0.00
Students with Disabilities	0.00	0.00

2022-23 School Safety Plan

We update our school safety plan, maps, and procedures annually. We conduct earthquake, fire, and intruder drills each semester. The district safety plan includes disaster procedures, procedures for safe entry and exit, procedures for disciplinary incidents, the sexual harassment policy, child abuse reporting procedures, school dress codes, and school discipline policies. Under the direction of the principal, school staff members implement specific school-building security procedures. Also, the district office supports schools by reviewing and disseminating safety requirements and information, coordinating safety-related services, and providing safety training and assistance. The Orland Police Department and other first responders have partnered with OUSD to conduct live active shooter simulations. For these simulations, OUSD has opened up the comprehensive high school (OHS) to provide an authentic setting for this annual training. Following this year's simulation, we began discussions with the Orland Police Department to present ALICE Training (Active Last ALICE Training (Active Shooter Response Training) to our staff. Before the February 2018 Board Meeting, we will convene for a Board Workshop with board members, administrators and managers to experience the 'in person' training and simulation following the online learning module. We have installed a state of the art notification and alerting intercom and bell systems district-wide. Our faculty and staff monitor the school grounds before and after school and during breaks.

2019-20 Secondary Average Class Size and Class Size Distribution

This table displays the 2019-20 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts				
Mathematics				
Science				
Social Science				

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	2	2		
Mathematics	1	1		
Science	1	2		
Social Science	2	2		

2021-22 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	0

2021-22 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	
Social Worker	
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	

2020-21 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2020-21 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	34,046	576	33470	76,170
District	N/A	N/A	9930	\$69,634
Percent Difference - School Site and District	N/A	N/A	108.5	9.0
State	N/A	N/A	\$6,594	\$79,175
Percent Difference - School Site and State	N/A	N/A	134.2	-3.9

2021-22 Types of Services Funded

The district provides appropriate funding for the Orland Community Day School such as core materials, supplies, software licenses for specific programs, curriculum, PE equipment, art supplies, technology, and other materials needed to support students.

2020-21 Teacher and Administrative Salaries

This table displays the 2020-21 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary	\$47,643	\$48,503
Mid-Range Teacher Salary	\$64,695	\$74,912
Highest Teacher Salary	\$95,190	\$100,321
Average Principal Salary (Elementary)	\$114,471	\$122,160
Average Principal Salary (Middle)	\$105,741	\$127,632
Average Principal Salary (High)	\$128,175	\$137,578
Superintendent Salary	\$191,838	\$198,665
Percent of Budget for Teacher Salaries	33%	31%
Percent of Budget for Administrative Salaries	5%	6%

2021-22 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
--	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

The district leadership team and site principal work together to implement effective professional developments. The district leadership team and site administrators determine which PD's are hosted based on teacher input and district-wide data collection. Teachers use the modified Wednesday's and after-school time to develop their curriculum, collaborate with other teachers, and participate in professional development workshops. The District provides two optional Professional Development Days for all teachers outside of the instructional student days. This year's Professional Development offerings focused on strengthening literacy skills for students, further deepen teacher work with the Common Core standards by identifying 'priority standards' for grade level mastery, promote instructional technology, and increase student access to computer devices. We offer district-wide training for our staff year round and encourage teachers to attend training and conferences to improve their instructional methods. The CDS teacher has the opportunity to do professional readings and participate in professional development webinars/conferences/seminars.

16-17 Professional Development offerings continued the development of strategies/information learned in 15-16. Teachers could attend new sessions that depended on their knowledge or retake a session that they felt they needed to. All sessions focused on teachers learning how to provide high-quality lessons. We also attended five 2 hour sessions around English Learners. The focus of those sessions was to look at the new ELD standards, which integrated and designated ELD to align and how to best support our students.

17-18 Professional Development offerings were set to continue our learning in high-quality instruction, supporting our English Learners and the effective use of technology in the classroom. Teachers could attend a full day training about the new ELPAC and the skills needed to perform well on that test; they could attend a full day training on technology (teachers could pick from over twenty 1.5 hr workshops). Banking Days for the year are focusing on more technology sessions and Long Term English Learners supports.

18-19 Staff development time was spent focusing on English Learner needs and strategies, increasing technology use in the in the classroom, along with core curriculum supports. All teachers had the opportunity to participate in a District Wide Technology day where they could choose between several offering every two hours. This allowed them to get specific supports for their areas of interest. Secondary teachers worked two days with Storm Writing and focused on LTEL needs and strategies for improving writing and vocabulary development. There was a follow-up session in December for those interested and time during our District Banking day to further their knowledge on DOK questions. Our elementary teachers had time to work with their core materials in math and ELA. In addition to this, they could get support in GLAD strategies and STEM. District Banking Days were spent looking at EL data and looking at vocabulary development. Additional PD was offered, during the school year, to some teachers in math, science, Illuminate and CAASPP instructional resources.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2020-21	2021-22	2022-23
Number of school days dedicated to Staff Development and Continuous Improvement
