

2019-2020 Education Protection Account (EPA) Budget and Spending Plan

Background:

Proposition 30, *The Schools and Local Public Safety Protection Act of 2012*, approved by the voters on November 6, 2012, temporarily increases the state sales tax rate for all taxpayers and the personal income tax rates for upper-income taxpayers. Proposition 30 was extended by voter approval of Proposition 55 in November, 2016. The extension will expire in 2028.

Implementation:

- These revenues are deposited into a state account called the *Education Protection Account* (EPA).
- School district will receive funds from the EPA based on their proportionate share of the statewide Local Control Funding Formula. Entitlements will be made quarterly.

Further Reporting Requirements:

- Each year, a spending plan must be approved by the governing board during a public meeting.
- EPA funds cannot be used for salaries or benefits of administrators or any other administrative costs.
- The district must publish on its website an accounting of how much money was received from the EPA and how the funds were expended annually.
- There will be a requirement for the annual financial audit to include verification that the EPA funds were used as specified by Proposition 30.
- The EPA entitlement and expenditures will be recorded in Resource Code 1400.

District Spending Plan:

As specified by Proposition 30, it is the district's intent to spend the EPA funds on "instructional activities"; primarily teacher salaries and benefits.
