**Students: Please review the policy below. There have been many students leaving campus without checking out through the attendance office.**

2/1/2010

### WRITTEN APPROVAL TO LEAVE CAMPUS DURING THE SCHOOL DAY

1. Students must always "check out" with the attendance clerk prior to leaving campus. This is valid when leaving campus at any time other than lunch.
2. Students must obtain the yellow "Permission to Leave Campus" pass to show to administration, teachers, police or any others who may question why the student is leaving campus, or currently away from campus. This pass will only be issued after parent contact is made, or a note is presented.
3. If the student is sick and stays home after lunch, the parent must call the school immediately.
4. Students may not leave campus during breaks.
5. Students who leave campus without checking out of the office will receive appropriate disciplinary measures.

Sierra Nevada shirts/sweatshirts are not school appropriate. The following apply to all clothing articles: No clothing that depicts or promotes drugs, alcohol, tobacco, or conveys the inference of drug use or illegal activity is permitted. Students wearing this clothing will be asked to change or remove inappropriate attire.

### **Students please review the detention policy. Remember to pay special attention to numbers 3 and 7. Thanks Mr. Perry**

1. Students may be assigned detention or work detail for up to one hour per day after school or during lunch.
2. It is the student's responsibility to notify his/her parent/guardian of the detention and its due date.
3. Students have five (5) school days (or one calendar week) to serve the detention.
4. Students are given these five days to make arrangements for alternate rides home, or to modify work schedules etc. Work, sports, practice, etc. do not "excuse" a student from serving detention.
5. Students should not wait until the last day to serve their detention and then claim an emergency.
6. If student does not serve detention within five (5) school days, the student may be suspended, AND must still serve the original detention. Repeated offences will result in longer suspensions.
7. Administration will sometimes send "detention reminder" slips as a courtesy; however, students must not count on receiving one, and failing to receive this additional reminder is not an excuse for failing to serve.
8. Refusing to sign the original detention notification slip does not excuse a student from serving the detention, and may result in the detention being doubled (teacher or administration discretion).
9. On most occasions the school automated dialer will be enabled and call the student's home to notify parents of the detention.

### **Attention Students: The rules for use of computers at school are on page 13 and 14 in the student Blue Book. Please review them. Here are a few reminders when using the internet or saving files to your student account:**

Computer Rule Highlights (refer to your Acceptable Use Agreement for details):

1. No downloading games, screen savers, or other un-approved applications.
2. No playing "online games" or visiting Chat rooms.
3. No accessing social networking sites such as but not limited to "MySpace" and "Face Book" etc.
4. No personal Email such as but not limited to hotmail, yahoo etc. except under direct supervision of a teacher for a specific class project.
5. No attempting to view, send, or save pornographic or other inappropriate content.
6. No using another student's account or letting other's use your account.
7. No "Proxy Servers" or attempting to bypass blocked WebPages.
8. Never give out your username/password.

Violations of the contract will result in the loss of Internet privileges as well as other appropriate disciplinary measures.
