Students: Please review the policy below. There have been many students leaving campus without checking out through the attendance office.

WRITTEN APPROVAL TO LEAVE CAMPUS DURING THE SCHOOL DAY

1. Students must always "check out" with the attendance clerk prior to leaving campus. This is valid when leaving campus at any time other than lunch.
2. Students must obtain the yellow "Permission to Leave Campus" pass to show to administration, teachers, police or any others who may question why the student is leaving campus, or currently away from campus. This pass will only be issued after parent contact is made, or a note is presented.
3. If the student is sick and stays home after lunch, the parent must call the school immediately.
4. Students may not leave campus during breaks.
5. Students who leave campus without checking out of the office will receive appropriate disciplinary measures.

Students please review the detention policy. Remember to pay special attention to numbers 3 and 7. Thanks Mr. Perry

1. Students may be assigned detention or work detail for up to one hour per day after school or during lunch.
2. It is the student's responsibility to notify his/her parent/guardian of the detention and its due date.
3. Students have five (5) school days (or one calendar week) to serve the detention.
4. Students are given these five days to make arrangements for alternate rides home, or to modify work schedules etc. Work, sports, practice, etc. do not "excuse" a student from serving detention.
5. Students should not wait until the last day to serve their detention and then claim an emergency.
6. If student does not serve detention within five (5) school days, the student may be suspended, AND must still serve the original detention. Repeated offences will result in longer suspensions.
7. Administration will sometimes send "detention reminder" slips as a courtesy; however, students must not count on receiving one, and failing to receive this additional reminder is not an excuse for failing to serve.
8. Refusing to sign the original detention notification slip does not excuse a student from serving the detention, and may result in the detention being doubled (teacher or administration discretion).
9. On most occasions the school automated dialer will be enabled and call the student's home to notify parents of the detention.
