Due to the recent schedule change, some modifications have been made to our food program. Our cafeteria now opens at 7:30 each morning and serves only hot breakfast foods before school. Break time has been shortened to 10 minutes, therefore hot foods will not be served at that time, and no foods will be served after the two-minute bell. Students must get to the cafeteria at the beginning of lunch and break times. The cafeteria wants to serve as many students as possible and is working very hard to ensure OHS students get their food items. Please help out the staff by not waiting until the end of the period to get your food. Thank you for your cooperation.
