Thank you to those students who have put in to receive an OHS parking permit. Remember to put them in the upper left corner of your windshield. Many students have placed them on their dashboard, but the parking permit number is not visible. Please ensure we can read the number clearly. If you have not yet requested a parking permit, please do so as soon as possible. Students parking in the lot without a permit may be receiving a warning and may lose their privilege to park on campus. Thanks for the cooperation.
