**This is a very important message from the campus supervisor and OHS Administration. There have been complaints recently from members of our community about students driving dangerously and way too fast. Students must obey all traffic laws when they are driving to and from school and during the lunch hour. Remember that open campus lunch is a privilege and students who violate this rule will have their open campus privilege removed as well as their parking permit. Students who get caught specifically for driving dangerously will lose their off campus lunch for a minimum of two weeks. The Orland Police Department have been notified and will be increasing their patrols in town and near school during lunch. Mr. Perry, Mr. Bramson and Mr. Scheele will also be out watching for student drivers. Please be safe. We do not want anyone to get injured or disciplined for something that can be easily controlled. Be responsible. Be Safe. Respect the members of our community by following the rules. Thank you.**
