Football players will also be turning in all their gear at the conclusion of Thursday's or Friday's game. No gear will be allowed to leave the locker room after the conclusion of the games. The official check-in will be on Saturday morning at 8:30 and on Monday, November 9th at 3:15 at the equipment room. All players must officially check in their gear and sign out with coach. Student athletes who have outstanding gear past Monday of next week will be placed on the hold list and will be billed the replacement cost for each missing item. Students on the Hold List will not be able to participate in any other sports until they are officially cleared.

Sophomores, Juniors and Seniors: Have you asked yourself, "What am I going to do when I grow up?" The ASVAB Career Exploration Program assessment is required for anyone who goes into the military, BUT it is a useful assessment tool for anyone unsure about his/her future plans after high school. The ASVAB helps you recognize your interests, skills, and work-related values and then identify occupations (military and non-military) related to those areas. The ASVAB will be given at Orland High School on November 17. It will cost you nothing but about 3 hours of your morning on the next minimum day. Sign up in the counseling office by November 20.
