Attention all OHS students. We will be launching DETENTION/WORK DETAIL after we come back from the break. This will be for all students that want to take care of their detention during the lunch period. Students will check in and sit quietly for the first ten minutes of lunch detention. Students will then clean up the campus for the next twenty minutes. Students may still choose to serve their detention after school instead of during lunch. Two lunch time detentions will equal one after school detention. The lunch detention room will be in Rm. 34. Students must arrive at the detention room no later than 12:00P.M on regular block schedule, 12:10 on full day "C", and 12:45 on rally schedule. Gloves will be provided for trash pick up. Lunch check-in will also take place with Mr. Perry in this room (34).
