

## 2-Year Community or Technical/Vocational Occupational and University Transfer Programs

### California Community Colleges

- Provide education/training to meet career goals.
- Earn a certificate of training, a 2-year degree, and/or to transfer to a 4-year college.
- Open to everyone.
- Reasonable cost.
- Application process for Butte College through Reg-to-Go program at OHS (seniors only).

### Tech/Trade/Private Colleges

- Provide “specific” education/training. A variety of certificates and degrees are available depending on the college.
- Admission requirements and costs vary per school.
- Contact schools directly. Usually must apply during the fall semester of your senior year.
