## 5. ACTION ITEMS:

**5.1 Consider / Approve Naming the OHS Farm after Bob Vierra - Honorary Farm degree.** Driving force for getting the OHS farm. Great way to honor school farm. Mr. Lloyd wanted to thank the Board and Superintendent Perry for their support of the program. The FFA program is starting to explode. Mr. Vierra was greatly involved in getting the program going in OHS and getting students career ready. Mr. Vierra was very cantankerous but his heart was always in the right place. Known as "The Pig Guy". Mr. Vierra started at Orland High School in 1970 and retired in 2003. Mr. Lloyd took 3 students in full official FFA dress to Mr. Vierra's service. Orland FFA was Bob Vierra. Planning on making a large sign with the school's plasma cutter if the Board approves. Mr. Lloyd asked the Board to please approve having the OHS school farm named after Bob Vierra.

**5.2 Consider / Approve the Purchase of Buses -** Mark Smith spoke to the board in regards to having the Board approve the purchase of three new diesel buses. Mr. Smith explained that electronic buses are not feasible for Orland currently. There is a lot of growth in Orland. Which means more students, sports and in the near future transportation for afternoon programs. He got word at the end of February that Cummins is no longer building engines for buses in California. Very limited with an electric bus as far as distance. The District has not determined the overall cost of daily charging for electric buses. Already struggling with staffing. 1 grant out there that will fully fund a 72 passenger electric bus that will travel 70 miles. Currently the District has buses that have DPF in them that need to be plugged in once a week. Just bought buses with COVID money. We don't have the infrastructure for electric buses.

Mr. Perry made the recommendation to wait so that the District can look to see if there is money available for purchase, because there are other projects that also need to be completed. No vote was made on this item.

**5.3 Approval of 2022-2023 Second Interim Budget Report -** Ms. Boone presented the 2022-023 Second Interim Report to the Board and made a recommendation that the Board positively certify the report. Please go to the following link for the presentation
